

Areas E3, E4, E6 Club Officer Training

To get calendar year 2014-2015 off to a great start, please plan to have your club officers attend the **Club Officer Training** session:

- **Saturday August 9, 2014 from 9:00 am to 11:00 am (registration from 8:30- 9:00 am)**
 - Citrix GoToCafé 7414 Hollister Ave, Goleta 93117

This is **your opportunity** to help your club earn another point towards ***Distinguished Club Program (DCP)*** status – if at least 4 officers are trained. Training is also a great venue to learn something new or identify an area for improvement, share your own successes to help other officers, and meet up with old and new fellow Toastmasters! We look forward to getting together as a group to motivate Division E Clubs to **RISE to the opportunity**. An agenda will be forwarded to club presidents and invited club officers as soon as RSVPs are in, so please get in touch with your area governor as soon as possible. Please attempt to send at least 4 officers from your club.
